BEGUR

DESCRIPTION

Villa Ses Planelles is definitely one of the most unique villas you can rent on the Costa Brava! This villa is located directly on the picturesque harbor of Fornells near Begur, overlooking the beach of Aiguablava and directly on the Mediterranean Sea. The villa has 8 bedrooms, seven bathrooms, an elevator, a private pool, a fantastic summer living / kitchen dining area, another kitchen, a living room with fabulous views and of course all the facilities you can think of. The house also has a garage and air-conditioning on the upper floor. The location is absolutely unique, on the rocks and next to the harbor. Of course there is a concierge service available, which you can hire for all wishes. You reach the house via a small road that may only be used by residents and is not suitable for oversized cars. The house was originally built in the 60's, but completely renovated in 2021 and state-of-the-art furnished with new high-quality beds and beautiful Portuguese linen. On the top floor - street level - are the entrance and three suites with bathroom (shower) and air-conditioning. One floor below is the professional kitchen, also accessible from the garage to make supplies easy. The kitchen, equipped with air-conditioning, is suitable for cooking for groups, due to the large walk-in fridge, but also the large marble worktop and the spacious dining table. On the same level you will find the large living room, with fantastic views of the Mediterranean Sea and direct access to a beautiful terrace. This room also has air-conditioning. The ground floor offers space for a further five bedrooms. Three of these again have an en-suite bathroom with a shower. The last two bedrooms share the seventh bathroom. At the very bottom on the ground floor, there is a fantastic space, where we expect you to spend most of your time. This space has large patio
