Ref: T-201 Villa Pico

TAMARIU

HUTG-070403-69

DESCRIPTION

Villa Pico in Tamariu is a completely renovated villa for 10 people, which will be new in our offer in 2024. A very cozy and stylishly furnished holiday home, with five bedrooms and four bathrooms. An ideal holiday home for a stay with children, because in addition to the large private swimming pool, this house has a trampoline, a table tennis table, a garden without stairs and you can easily walk to the lovely beach of Tamariu, the bakery and supermarket and the pleasant boulevard with nice terraces and restaurants. Perfect for a family holiday! You enter the large living-dining room via the cozy covered terrace. What is immediately noticeable is the long dining table, with a wide variety of nice chairs around it. And although you will mainly be outside, the seating area with TV is also very cozy. The open kitchen is fully equipped, with a large American fridge-freezer, oven, microwave, electric stove, Nespresso, kettle and everything to make delicious meals. There will also be a large barbecue outside. Also on the ground floor you will find a toilet and then via a corridor you will reach three double bedrooms and three new bathrooms with a shower, toilet and sink. Two of these bathrooms are ensuite, the third is opposite the third bedroom and can therefore also be used privately. You reach the top floor via a beautiful staircase next to the kitchen. Here is a spacious bathroom with a shower, toilet, double sink and a large corner bath. Also on this floor is a bedroom with a double bed and a raised double bed. The fifth bedroom is also suitable for two people and also has a private terrace overlooking the pool. So a total of twelve places to sleep, but we rent the house for a maximum of 10 people, plus any babies. The private swimming pool measures approximately 9 x 4 meters and has a built-in bench to relax in the water. The pool

can also be covered and heated for a fee. There is beautiful artificial grass around the pool, making it always green. At the pool there are lovely sun beds and a cozy lounge area with shade. There is a trampoline next to the house. The separation from the neighbors will be planted with tall bamboo this winter, creating privacy. At the rear of the kitchen is another terrace with a view of the surrounding hills. Here is also the table tennis table and the utility room with, among other things, the washing machine and dryer. This holiday villa is located less than a kilometer from Tamariu beach. Besides the fact that it is a nice beach, there is also a diving board on the rocks, where the children will have fun for hours. In Tamariu you can eat delicious food, sit on the terrace, but also rent a boat, or go diving and snorkeling. There are of course several other beaches and villages in the area that are worth visiting, such as: Llafranc, Calella de Palafrugell, Aiguablava, Sa Tuna, Sa Riera and of course Begur, Pals and Peratallada. We recommend to travel by car!
