

Ref: VLE-405 Casa Montgó ESCALA (L')

HUTG-021436

DESCRIPTION

This modern exclusive apartment is located directly on the beach of the beautiful bay Cala Montgó near L'Escala, on the Costa Brava. An ideal place for a holiday without worries. You enter by parking the car in your garage on the 2nd floor, so no parking problems. This is also the top floor of the building and the floor where the living area of the apartment is located. The spacious living-dining room connects directly to the large terrace, from which you have a great view of the beach and the beautiful bay. The open kitchen is of course equipped with all modern conveniences and the living room has a large TV with satellite reception. Also on this floor is a bedroom with a double bed and ensuite bathroom with shower and toilet. Both the living room and this bedroom have air conditioning. A staircase takes you to the lower floor, where there are two more double bedrooms, which share a bathroom with shower and toilet. The building has an elevator, which takes you straight to the beach level. Cala Montgó has a spacious sandy beach, with a generally calm sea, where you can do SUPing, among other things. But canoeing, snorkeling or diving is also popular here. There are several restaurants and a nice beach bar on the beach. The old center of L'Escala is approximately 3.5 km away and is very atmospheric and cozy! A little further away are the Roman excavations of Empuries, which are well worth a visit. 30 km inland is the town of Figueras, with the famous Salvador Dalí museum. Cadaques, a little further north, is also very nice to visit.
